

Malcolm Exposed by His Brother

In a courageous effort to prevent the misunderstanding and misguidance of innocent observers caused by the heedless disruptive actions of former Muslim Minister Malcolm, Brother Philbert X, minister of Muhammad's Mosque of Islam in Lansing, Mich., revealed in Chicago to a fully attended press conference the inside motives behind the action of his brother.

Quietly and calmly, Minister Philbert exploded the unfounded allegations of the former New York minister and revealed the tremendous debt owed by Minister Malcolm and his family as well as of millions of black people in America to the teaching

and guidance of the Messenger of Allah.

Because it brings significant clarification to many confused viewpoints expressed in the white press around this subject, Muhammad Speaks here brings its readers the text of Minister Philbert's statement:

Minister Philbert

Because, I, Philbert X, a minister at Muhammad's Mosque of Islam in Lansing, Grand Rapids, Flint, and Muskegon, Michigan, love Islam, our teacher, The Honorable Elijah Muhammad, and all his followers, I think someone should say something or speak out against the acts of my blood brother, Malcolm.

Since I am one of the ones who brought my brother Malcolm to Islam, I am taking this task on myself.

Because I am and have been a follower of the Honorable Elijah Muhammad for more than 17 years, I have seen the beneficial effects Mr. Muhammad's message has had upon me, my family and all of our

people who have accepted Islam.

In my eagerness to have all of our people gain full and complete freedom, justice and equality through the acceptance of the Honorable Elijah Muhammad's divine message, I sought to introduce and convert my wayward brother, Malcolm, to the banner of Islam under Mr. Muhammad's leadership more than ten years ago.

I have seen and bear witness as to how Malcolm was raised from a level of nothing to a place of honor and respect through the world as a result of Mr. Muhammad's direction.

Now I see my brother pursue a dangerous course

which parallels that of the precedents set by Judas, Brutus, Benedict Arnold and others who betrayed the fiduciary relationship between them and their leaders.

I see my blood brother go against the prayer of Islam in which every believer asks to be guided on the right path and not on the path of those who go astray after they have heard Islam.

I see where the reckless efforts of my brother Malcolm will cause many of our unsuspecting people who listen and follow him unnecessary loss of blood and life.

I know as Messenger Muhammad teaches that any-

one who deviates from Islam is a hypocrite.

I am aware of the great mental illness which beset unfortunately, many in America and which beset my mother whom I love and one of my other brothers and which may now have taken another victim, my brother Malcolm.

I know the works of Mr. Muhammad in reforming the so-called Negro so he can take his place in society. This is absolutely divine work and we can only get this divine guidance as long as we follow Mr. Muhammad.

At the time of President (Continued on page 4)

the Bible, which is full of prophecies concerning the fate of those who rejected and opposed God's prophets. Allah's warning in the Holy Qur-an is very plain against the disobedient and opposers to His last Apostle.

And he whom God has arisen among the so-called Negroes to be His Apostle is most surely the last Apostle; and the last people to whom the Divine Revelation and guidance is to come.

THIS IS the time the

Bible and Holy Qur-an refer to as the "Resurrection of the dead" (Mentally dead or ignorant people) whom God wishes to make wise and set over the nations by His guidance and His infinite wisdom. After listening to what the Honorable Elijah Muhammad was taught by Allah, there is nothing left for another messenger to teach us of self, God, and the devil. Messenger Elijah Muhammad's message to us fulfills the Bible and Holy Qur-an;

for the last Messenger's message is to bring us face to face with the knowledge of God and the devils; that we may make our choice as to whom we shall serve. The other Divine teaching, the Messenger says, is that which guides us into the Hereafter. I see one who ignores Messenger Elijah Muhammad's teaching in danger of hell fire. The Holy Qur-an warns us against imputing sin to Allah's Messengers, though the Bible and Holy Qur-an hold no one sinless.

But the Holy Qur-an teaches us that Allah is sufficient as a judge for His

Apostles, and the Bible verifies this. We just cannot be the judges of Divine Messengers. Obeying them is what Allah warns us to do.

MALCOLM disobeyed the Apostle of Allah.

Malcolm was told by the Messenger of Allah to keep quiet until he told him to speak again. This, Malcolm did not do.

So after a ninety-day period, the Messenger said to Malcolm: You did not keep quiet, so now I will wait until you be quiet before I give you permission to speak in the public.

Malcolm answered the
