

T WEAPON!

PLAN, which will work a miracle for you. Unite and stop your extravagant spending, trying to live on the level with millionaires, and you will make a heaven for yourselves like other nations have done. My followers and I are doing just that and will continue to do so. You are invited to join us and contribute to our program.

The preachings that we should have some of this earth we can call our own, is far from being an ignorant teaching that cannot be accomplished. This is wisdom you should know in these days and times. Without some of this earth of our own, we will never be a people to produce for ourselves.

We cannot continue to increase our population in hope that the white man will continue to create employment for us. I warn you daily that there will come a time

when they probably will drop you, and you will have to go for yourself. Start practicing the art of doing for self now. It is only laziness for you and your children to want to be servants for another nation.

How can self-independence be accomplished? Israel, with her disbelieving people, said the same thing. But God knew how to make a way for Israel to have something to call her own. He had too many people who did not believe in Him. So, He destroyed them and gave Israel a house. If you will believe in Allah and in His revelation that He has given to me, He is well able to do the same for you.

We must give up trying to live in peace with a people with whom we have spent four hundred years without peace. Even today, they stand ready to slaughter you just because they hate you.

Messenger of Allah.
