

# ear a Showdown

**FLY TO HIM, I say.** Fly to me and I will guide you to Him as you do not know Him. If you do not know, seek to know. I will teach you to know. To reject your share in the earth and the universe, which is rightfully your own, would be such a foolish act that it could never be blotted out of your future history.

**COME FOLLOW ME, I say.** I will lead you to your God of Salvation. If you stay where you are, you will suffer the consequences. Just as a reminder, read the Bible Jer. 50:46 and II Pet. 3:10. It is terrible, awful, frightful, to look up and instead of seeing a blue sky, you see a sky of flame and fire. This will surely come, Allah (God) has affirmed this prophecy with me. The whole heavens will be blotted out and in its place there will be a canopy of flame. The heavens

and elements that make up the atmosphere of the earth will melt with fervent heat. There will be an explosion of the total atmosphere of the earth, by God Himself. Thank you for reading this warning.

**TAKE HEED** of it, for the Holy Quran says such a time as we are entering into now is a grievous time. It will make children's hair turn gray. If the grief and excitement will make children turn gray because of the terribleness of the judgment, what do you think our hair will be doing? The Bible teaches gray and baldness upon all heads.

**MY PEOPLE,** stop thinking of sport and play and think over your life and the safety of your life. Thank you.

ELIJAH MUHAMMAD.

## MUHAMMAD: THY KINGDOM COME

By Sister Margary Hassain

**MUHAMMAD: THY KINGDOM COME**  
ALL PRAISES are due to Allah (God)

Master Fard Muhammad! Is. 22:20-23.  
"And it shall come to pass in that day, that I will call my servant Eliakim the son of Hilkiyah:

And I will clothe him with thy robe, and strengthen him with thy girdle, and I will commit thy government into his hand; and he shall be a father to the inhabitants of Jerusalem, and to the house of Judah.

And the key of the house of David will I lay upon his shoulder; so he shall open, and none shall shut; and he shall shut, and none shall open.

And I will fasten him as a nail in a sure place; and he shall be for a glorious throne to his father's house."

**WE CAN NEVER THANK ALLAH (God)** enough for Coming to free us from the grip of this Christian white race and their wicked kingdom and setting up His Righteous Government and Choosing Himself a Righteous King for us, The Honorable Elijah Muhammad. It takes no effort for us, today, to believe in Allah (God) and His Messenger, The Most Honorable Elijah Muhammad, and the fall of America and her judgment by Allah, the Black God of FREEDOM, JUSTICE AND

**EQUALITY,** for we are living in it and with God and His Messenger day by day. Muhammad has opened our eyes.

**EVEN THE** white man, with his one eye can see the marvelous work of building a nation and an economy, which Messenger Muhammad has been doing in spite of being in a strong and opposing America.

**TIME,** in their March 7, 1969 issue wrote of the Muslims, "Today the 39 years of dogged adherence to the notion of 'build black, buy black' is paying dividends . . . Muhammad is busily investing Muslim money. His energies are totally concentrated on building a Muslim-owned financial empire that some day, he predicts, will lead to a separate, self-sufficient 'Black Islam Nation' within the continental United States . . ." But we know of the extraordinarily great things which Allah (God) and the scriptures promise to The Honorable Elijah Muhammad.

**WHAT CAN** be more plain to tell you some of what is in the mind of God for us, the blessed Lost-Found members of the Aboriginal Nation of Earth. Bible IS. 60:22 "A little one shall become a thousand, and a small one a strong nation: I the LORD will hasten it in his time." ALL PRAISES TO ALLAH!

**REJOICE,** O my people, FOLLOW MUHAMMAD.

## Separation Is A Must

By Elijah Muhammad

Messenger of Allah

Why not a united Black Nation? Have the white people not been a united white people all their days? Have they not lived in their own quarters and countries under their own white rulers, kings, queens, and presidents?

What is all the excitement over the Black Man wanting to live to himself? We have lived under segregation forced upon us up until today. Now, why think living apart, out of the white man's society, is something that we should not think about doing?

Black people and white people are used to living apart from each other. It is the nature of us both and we are better off living apart than trying to mix together (which is against the nature of Black and white). We are two different people.

Black ants do not try living with red ants, white ants, or any color but their own color. Even black birds will not try mixing with yellow, red, and white birds. Everything abides by the law of nature in which it was created but the white man and his Black slave.

White people want to mix with every color of people on the earth. And, they have nearly mixed up the entire population of the earth in various colors. They did not want to destroy their color. They do not even want to destroy it today but they want to force their color into other people.

Now, many of the Black slaves desire to live with their Black selves, after living in a forced mixture of our slavemaster's children.

Now, today, the very nature of us is being taught by God, Who Knows all of us. This teaching of self from God makes us desire, as never before, to be ourselves.
