

DECLINE OF T

(Reprinted by popular request from article of December 4, 1964.)

By Elijah Muhammad

The strong-hold of the American Government is falling to pieces. She has lost her prestige among the nations of the earth. One of the greatest powers of America was her dollar. The loss of such power will bring any nation to weakness; for this is the media of exchange between nations. The English pound and the American dollar have been the power and beckoning light of these two great powers. But when the world went off the gold and silver standard, the financial doom of England and America was sealed.

The pound has lost fifty percent of its value. America's dollar has lost everything now as power-backing for her currency, which was once backed by gold for every \$5 note and up. All of her currency was backed by silver, from a dollar note up.

But today, the currency of America is not backed by any sound value—silver nor gold. The note today is something that the government declares they will give you the value in return, but does not name what that value is. But they definitely are not backing their currency with silver or gold.

This is the number-one fall, and it is very clear that the loss of the

power of the American dollar means the loss of the financial power of America. What will happen, since there is no sound backing for her notes, we do not know.

What should we expect even in the next twelve months under the fall of the power of America's dollar? This means that we have 100 per cent inflation. What could happen under 100 per cent inflation? Your guess is as good as mine; the power of gold and silver was once abundant in America. But the touch of the finger of God against the power of so mighty a nation has now caused the crumbling and fall of America.

We can easily and truthfully liken the fall of America to the prophetic symbolical picture given in the (Bible) Revelation of John 18:2. The name Babylon used there does not really say whether it is ancient Babylon or a picture of some future Babylon.

The description it gives is as follows:

"And he (angel) cried mightily with a strong voice (with authority) saying, Babylon the great is fallen, is fallen and is become the habitation of devils, (Allah has declared the people to be a race of devils) and the hole of every foul spirit and a cage of every unclean and hateful bird. The description here given to the Babylon by the Prophets compares with the

present history and people of America and their fall.

The picture shows the cause of her fall. Number one, she had become the habitation of devils, and being the habitation of devils makes her a haven for every people that love the works and doings of the devil. Here the Prophet refers to them, symbolically, as being a hole of every foul spirit, and a cage of every unclean and hateful bird.

People are referred to as birds, snakes, beasts, fish and other animals, to tell or represent the characteristics of that person. It is universally known that the very beginning of the American people was from the lower class of European people. And their first ruler (President Washington) was a fugitive from England. And the common, dissatisfied and lower grade of European people followed and boosted his authority. This filled and inhabited America with a very low class and low-based people.

And then this type of people went into Africa and purchased slaves from among our people who were also uneducated, most of them, but there were a few who were highly educated. All of these begin to mix with the low-based, evil-minded, real citizens of the Western Hemisphere (whites). And when America began to get strong in power, she opened her doors to the underprivileged (laborers) in

The Shyless

The Filth That Produces The Filth.

Holy Quran (7:27) O children of Adam, let not the arch deceiver seduce you, as he expelled your parents from the garden, pulling off from them their clothing that he might show them their shame. He surely sees you, he as well as his hosts, from whence you see them not. Surely We have made the devils to be the friends of those who believe not.

This happened to the Black People who followed Yakub from Arabia. He pulled off, from their original Self, the clothes of Righteousness and the clothes to cover their shame; and then made them to go nude in the hills and cave-sides of Europe, until the birth of Moses. You are warned. You believe you are safe in following the invitation to evil and filth of the white race. Wait and see.
