

**IN the Name of Allah, the Beneficent, the Most Merciful Saviour, MASTER FARD MUHAMMAD, To Whom Praises are due Forever, for Raising among us, His Greatest Divine MESSENGER MUHAMMAD, and who Brings to us, the Black People, the Greatest MESSAGE!**

MESSENGER MUHAMMAD teaches us, and we bear witness, that we, the Black People, here, in America have never been given EQUALITY with our white slave-masters who did not bring us to America, to enjoy FREEDOM, JUSTICE AND EQUALITY. The white man brought us here to be his Black slave. And they have kept us their slave.

NOW, today, with the Divine Teachings of MESSENGER MUHAMMAD, we have the 'Truth to set us free' in mind, spirit and body.

We, the Muslims do not want equality with the devil, except being equal in the chance to be respected, in the society, of the civilized nations of earth.

WE, who follow MESSENGER MUHAMMAD, are for the first time, respected by the civilized peoples of earth, and even the devil respects MESSENGER MUHAMMAD, and those who are like MESSENGER MUHAMMAD, through following the teachings and the example of MESSENGER MUHAMMAD.

AN enemy, the white race, deprived us, the Black People of FREEDOM, JUSTICE AND EQUALITY, MESSENGER MUHAMMAD teaches us. And He teaches us that our God Allah, MASTER FARD MUHAMMAD, to Whom Praises are due Forever Has Come to give back to us, the Black People FREEDOM, JUSTICE AND EQUALITY, which was ours before the white man was made, by one of our Black scientists, Mr. Yakub, 6000 years ago.

TODAY, we re-read, study and think over the Divine Wisdom, the Supreme Wisdom, that MESSENGER MUHAMMAD reaches up into the heavens, and brings down to us to examine and learn from—NO WONDER MESSENGER MUHAMMAD says, "To Allah Alone do I submit" for we see there is none greater in wisdom than MUHAMMAD, except Allah Himself! There is no people greater than we the Black People, let us return to our great place. We desire to accept our Own, which is the Best.

We see that we have been following a mad-man, the white man and this is beneath our dignity, to desire to integrate and remain with the white man.

We must join with MESSENGER MUHAMMAD and do something for self. Stop trying to build up the white man's civilization and re-build our own Great Black Nation. Hurry Join onto Our Own!

ALL PRAISES ARE DUE TO ALLAH FOR HIS DIVINE MESSAGE AND HIS DIVINE MESSENGER MUHAMMAD, who has the General Desire of Good for us, the Black People who never had EQUALITY with white America, and who never thought we could have EQUALITY with the civilized nations of earth! UNTIL WE ARE TAUGHT BY MUHAMMAD. ALL PRAISES ARE DUE TO ALLAH!

ALL of the religious philosophers,  
cholars and scientists agree to the truth  
that our galaxy, the sun, moon and stars  
— and especially the planets — are what  
are known as the sun's family.

THE stars, millions and millions of

# EQUALITY

miles away from the sun, show the greatness of the Creator's Work. The work of the Creator has not been equalled by anyone, as yet.

IF there is nothing wrong with the creation, where is the need for a new creation, or re-creation? We agree spiritually about the Creation of the Heavens and the Earth, and the Law that governs them - which Law they do not disobey a fraction of a second.

THE Sun, Moon, Stars and planets are signs by which you and I can learn our own way of obedience and law abiding unity of aims and purposes. Regardless of the direction in which we look, we can see this unity working in our universe. We see the unity and purpose in the stars.

SPIRITUALLY, we use the nearby planets (nine of them) which are under the Law of the sun. The planets beautifully bow and obey the great light and heat of the sun, which causes them to make their cycles around it, because of its attracting force.

THE SO-CALLED Negro, the Lost and Found Nation of Islam, is being taught the physical works of this universe and the desire of the Creator in Creating such an unlimited universe. Artificial glasses (telescopes) have not been able to extend our eyesight to the outside of the universe.

WE imagine that the outside of the universe is dark, but we are not able to see beyond the light or the universe. Nor are we able, spiritually, to compete with the Wisdom of our Maker.

THIS teaching on the universe is to awaken the mentally dead Lost - Found Members of the Black Original Nation, to

the greatness of their/our Father, Who Created the universe, and to show us that we have been deprived of justice by others (the white race) who are greater than we are in the power and knowledge of their own white man's civilization.

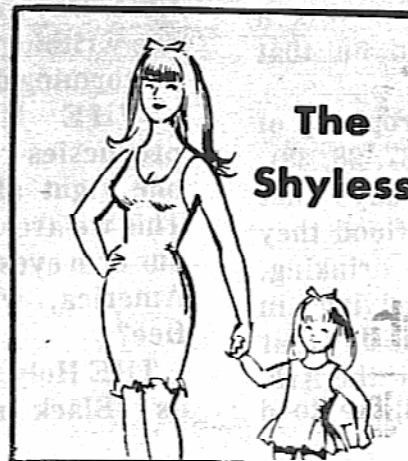

THE White race refuses to give EQUAL JUSTICE to us. The physical universe was not created in such a manner, nor does the work of the physical universe compare with the work of the enemy, the devil.

THE DEVIL is contrary and disobedient to Divine Law, and the devil is an opposer to the Will and Purposes of the God of Truth and Righteousness. The white race is the outright open enemy of God's Law and to the People of Allah (God) who love and try to obey His Law.

THE DEVIL will go to war with the righteous against Righteousness, Truth, and Justice. The devil was not made by the God of Righteousness. The devil was made by the God of evil; an opponent to the God of RIGHTEOUSNESS, JUSTICE and EQUALITY.

THEREFORE, by nature the devil is an enemy and opposer of the FREEDOM, JUSTICE and EQUALITY that is given by the God of Truth and Justice.

THE so-called Negro must learn that the white race is the people who the Bible teaches us, are the enemies of the God of Righteousness. This is why Judgment (destruction) was Set for the white race the day that the white race was put into power to rule Black People. The devil's power to rule the Black People was limited to a period of 6,000 years. Their time to rule us is up, and has been up, since 1914.

Holy Quran (7:27) O ye arch deceiver seduce you, from the garden, pulling out that he might show them to you, he as well as his hosts not. Surely We have made of those who believe not.

This happened to the Yakub from Arabia. He put Self, the clothes of Righteousness or their shame; and then he hills and cave-sides of Europe. You are warned. You following the invitation to evil Wait and see.
