

TY!

WE now face a complete change of worlds. The Bible has Truth in it, if it is understood. The Bible teaches you against believing, following and obeying these people (white race) who are opposed to Divine Law.

The Bible also teaches us that those who represent themselves as priests and preachers should not be obeyed and followed, for they only use the teachings of the Bible as bait to convert you to accept them for your guides and teachers — then the priests and preachers mislead you.

The white race translated the scriptures into symbols, knowing that you, the Black People would not be able to understand the symbols unless Allah (God) Raised up One among you and taught him the secret of the Truth that is covered under symbolism.

I am he who has been Risen to interpret the scriptures for you, if you accept me. You are certainly making great mistakes in your own conceptions of the meanings of the scriptures. But, as it is written: whosoever will, let him come and accept the Truth. The righteous do not fight and oppose the rejectors of the Truth in order to force them to accept the truth.

ALLAH (GOD) is self-sufficient and does not have any need to chase us and beg us to believe. He can Create the Faith in other people who have not been poisoned and robbed by the devil, since they were babies.

WE are and have to be remade, spiritually, to see and understand the Divine Truth before we can ever take our place again as Members of the Divine Family of God (Allah).

FOR instance, if we take the guidings of a physical star, anyone of the planets — from Mercury to Neptune — will bring us back in the sun's light tomorrow morning, as the stars all move eastward.

By following the guidings of the physical stars, the stars will again take us out of the darkness, into the light of that mighty attracting light, the sun, which represents the Truth of Almighty Allah (God).

THE stars spiritually represent the guidance of prophets' and messengers' work of bringing people into the Light of the Truth of Allah (God). Prophets and Messengers are called stars because their spiritual work is similar to the physical work of the physical stars of heaven.

AS the resurrected Lost and Found People of the Aboriginal Black Nation Come into the Light of Truth, the Aboriginal Black People are taught the roots of the physical creation and the Wisdom of Allah (God), in order to make them greater in knowledge, greater in power, greater in guidance, than were any leaders and teachers of the past!

WE must forget about seeking light and guidance from a people and world (white) which were made to bring spiritual darkness on the Divine Light of Truth and Guidance.

You the so-called Negro must get away from thinking that you have been lead right by the white race, the enemies of Allah (God). You see what they are trying to do in your midst today. They fight and oppose any Light of Truth and they fight and oppose those who accept the Truth (the Muslims).

THE white race harasses, persecutes and kills the Muslims, because they know that the Truth that the Muslims are teaching will bring upon the white race the Destruction of Almighty Allah (God), in the Person of Master Fard Muhammad, to Whom Praises are Due forever — for He Allah (God) Will Defend us.

WE, the Muslims, have been mocked, persecuted, imprisoned, shot, killed and openly deprived of justice in the courts.

Messenger of Allah

The State Supreme Court and the U.S. Supreme Court have refused to listen to a case of miscarriage of justice against us, for the past 35 years.

WITH the help of the so-called Negro pastors in Detroit, Michigan, our enemies persecuted and drove out our Saviour, Master Fard Muhammad, who was under a disguise, at the time, as a common man, thereby fulfilling the scriptures.

TODAY, the persecution continues, along with murder and every evil that they can do against us, the Muslims in America. The American white people do this to put fear into our Black People in order to make them reject Islam, the salvation of the Black man.

WE, the Muslims, ask for separation. The white race does not even want to see the Muslims, nor any of the other darker people separate because they know what it will mean for the Black People.

MASTER Fard Muhammad to Whom Praises are due forever, Has Taught us that the scriptures must be fulfilled. And that the Scriptures' prophesy of The Coming of the Just One Who Will Reveal and Make Manifest the unrighteous after their time and work of evil against the righteous is up.

THIS will be made manifest to the people so that they can make a choice of Accepting the God of Righteousness (Allah), or continue with the God of evil, whose day is drawing them near to their doom.

WE THE BLACK PEOPLE HAVE BEEN SUFFERING HERE IN AMERICA, FOR 400 YEARS, AND I THINK THIS IS LONG ENOUGH!" NOW WE THE BLACK PEOPLE WANT TO LEAVE YOU!
