

ALL THESE THINGS!

in the Day of the Coming of the Son of man.

THE SON OF MAN comes to Judge man and mankind. The Day, the Day, the Day has come!

AS Daniel prophesied, (Bible, Dan. 9:26, 27) "...and unto the end of the war, desolations are determined..." "...and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate."

JUST THINK ABOUT IT! At the end of the war, desolation, so that puts an end to the hope of those who expect to see a great boost of prosperity, after the war.

WHEN YE SHALL SEE ALL THESE THINGS!

IN the Day of Noah, the children of the Sodomites came out happy, that morning, and that was the end. They saw a cloud making up. They just considered that it was a regular rain cloud, but that was the end!

IN the Bible prophecy of Jesus (Matt. 24:37, 38, 39), "For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the Ark, and knew not until the flood

came, and took them all away."

IN THE TIME OF NOAH, the people of Noah were having parties as you are doing today, and **THAT** day was the end.

IN THE TIME OF SODOM AND GOMORRAH, they were so wicked that they were willing to go to war with the Angels (in the house of Lot).

THE SODOMITES attacked the Angels of God, Who Had Power to destroy the Sodomites almost instantly. The Sodomites warned that they had been watching the Angels visiting the house of Lot!

A TERRIBLE time is gradually approaching upon us. A time so terrible, until it will make children grey-headed, the Holy Qur'an teaches us.

THE BIBLE teaches us that it will be a time never witnessed by man and there never will be such time in the Hereafter. It is a great time. Day and night storms are writhing the country. It is storming day and night!

THE Holy Qur'an prophesies of calamities, one right after the other. This we are witnessing with our own eyes. O America, O America, where shall ye flee?

THE Holy Qur'an teaches us (Black man) to take

refuge in Allah. Today, people laugh at you if you invite them to do righteousness. They make mock of your doing right.

SO did the people of Noah and Lot, as it is said so beautifully in Jesus' prophecy, "So shall it be in the Day of the Coming of the Son of Man."

WHEN YE SHALL SEE ALL THESE THINGS, that you now see, know that it is here; we are living in the end!

MY BLACK PEOPLE — I say fly to Allah (God) for Refuge, and come, follow me. I may look weak, but, through me, you will find Refuge in Allah.
