To protect the future of the Black man and woman in America the face of the Spiritual Son will not be shown at this time. He is the spiritual likeness of Moses in the person of the Honorable Elijah Muhammad who gave spiritual birth to him.

In the Name of Master Fard Muhammad, Our Saviour, Our Deliverer, Almighty Allah, and in behalf of His Servant Moses, the Honorable Elijah Muhammad (Peace be upon him).

As-Salaam-Alaikum

Iman Wallace (Warith) is not the Chief Hypocrite. I and my followers are prepared to defend that what he did was for the good of the Nation of Islam. He cleared the Nation of Islam of the weak, slanderous, spineless, lying hypocrites, and he cleared the Nation of Islam of you semi-Muslims. Today the pure Muslims can be seen rising everywhere.

In light of such clear evidence of the Honorable Elijah Muhammad's statement, it is a mystery how some of my brothers conclude that the Honorable Elijah Muhammad said that he was Jesus, Peace Be Upon Him. Not one shred of evidence has been produced in 3 years to support any claim that the Honorable Elijah Muhammad was a fulfillment of the Prophecy of Jesus or any part thereof, except that he was Mary who gave birth to Jesus.

The Honorable Elijah Muhammad said, "This is Mary". He was referring to himself. (See "Our Savior Has Arrived", page 34, first paragraph, line 3). At another time the Honorable Elijah Muhammad said the woman in Revelation 12-4 actually refers to the Last Apostle of God. (See Message to the Black, page 127, last paragraph, line 3).

He taught that he was the Last Apostle of God. Thus, he is saying that he is the Spiritual Woman Mary; The mother of Jesus. However, there is much evidence which points to Iman Wallace (Warith) D. Muhammad as having fulfilled that Prophecy of Jesus, a part thereof. The state of mind of Iman Wallace (Warith) D. Muhammad shows that he purposely, knowingly and by design having beforehand thought to try and cause a turnabout among you, if he could steal you over to himself.

The coming of that Jesus (Son of Man) who was to commence judgment, he was prophesied to come as a thief. (Read Matthew 24, Verses 43-51). If you had known the hour your belief was to be tried, at that hour you may have set yourself on watch, and what you reported to have been your belief may not have been broken up. But since you were caught off guard by the Trier [Iman

(WARITH) D. MUHAMMAD

the Chief Hypocrite!

Wallace (Warith) D. Muhammad] your true face was revealed. You commenced to fight (spiritually) against your fellow servants and to eat and drink with the drunkards. Your true belief was brought to surface. (Verse 51) If you failed the trial of His Judgment, you are appointed your portion with the hypocrites. You are this day remorseful (weeping) and there is gnashing of the teeth. You hypocrites are you who took up a different God after announcing belief in Almighty Allah, who did appear in the person of Master Fard Muhammad, To Whom Praises Are Forever Due.

The Honorable Elijah Muhammad was happy to see his son Iman Wallace (Warith) D. Muhammad coming, and he was glad to give over to him his house. The Honorable Elijah Muhammad knew that it was time to test your belief, and that your belief would be tried by Iman Wallace (Warith) D. Muhammad, since the Honorable Elijah Muhammad knew that Iman Wallace (Warith) D. Muhammad's belief was different from his own.

If Iman Wallace (Warith) D. Muhammad had not entered among you as he did (as a thief) he would not have caught you unaware. Your belief would not have been tried (Judged) as you would have been on watch. It is this Jesus who tried (Judged) the belief of the followers and the world. He came after you had been taught and warned. This, we sent our Last Messenger to do,

before the coming of judgment. We believe therefore, that Iman Wallace (Warith) D. Muhammad fulfilled the Prophecy of this Jesus. It is axiomatic that you who followed Moses in the person of the Honorable Elijah Muhammad have been tried and as has White America by the teaching of Iman Wallace (Warith) D. Muhammad.

You were given no teaching from the mouth of the Honorable Elijah Muhammad wherein he said he was Jesus. It was You, You, who said to or about Him that he is Jesus; "and he denied not": Said nothing to correct you; but you are corrected here and now, if you will accept it.

We do not believe the Honorable Elijah Muhammad fulfilled the Prophecy of Jesus. We therefore do not believe he will be returning from His physical grave, (and if he had fulfilled the Prophecy of Jesus), he would not be returning from his physical grave, where he lay at rest, Peace Be Upon Him and honor on his name forever. However, you can expect to see the return of Iman Wallace (Warith) D. Muhammad to the support of the Honorable Elijah Muhammad's teachings.
